ICRAF

STRUCTURE OF MANAGEMENT COMMITTEE

- Meets twice a year
- Sets strategic vision and aligns policy with national priorities

The Task Force will:

- Contribute towards Rwanda's reforestation commitments and coordinate and monitor the National Agroforestry Strategy (2018-2027)
- Facilitate the coordination, collaboration, visibility and harmonization of agroforestry interventions among cross- sectoral stakeholders.
- Engage in capacity building, support, and tailoring incentives for farmers
- Meet once a year for general assembly
